KURTZMANN PIANO GOES TO ED E. BUCHANAN.

Last night the judges in the Kurtzmann Educational Word Contest, instituted by Fred P. Watson & Bro., Piano company, made their award, after several hours spent in the final examination of the lists. The several hundred contestants evinced the interest which they felt by the many unusual combinations of the word "Kurtzmann." At the last, it became clear that the battle for the \$350 piano was going to be a warm one, for several lists were "tied."
Then began the tedious task of elimination, when only two lists remained—those of Josephine Lasher, Smithland, and Ed R. Buchanan, 533 South Eighth street, Paducah. Each list had 76 correct words but Mr. Buchanan won because his list was received first.
Certificates are being mailed today to those entitled to them under the rules of the contest.

ARCHBISHOPS AND BISHOPS.

Of America May Be Summoned Into Conference.

New York, Dec. 14.—The crisis in the relations between the Catholic church and the French government is attracting much attention in Catholic circles here. It was reported yesterday that Cardinal Gibbons will summon the archbishops and bishops

in America to a special meeting if the French premier carries out his declaration of expulsion and wholesale confiscation of church property and that the American prelate will send, through Cardinal Richard, a letter to their French brethren.

It was strongly hinted, too, that Archbishop Farley himself will make a statement in a few days if affairs continue in France as they have begun.

The Times today in a dispatch from Paris quotes Cardinal Richard on the situation:

"Please let American Catholics know from me," the cardinal is reported as saying, "that what the French government is trying to do is to bring about disunion between Catholic believers and their priests and between priests and their bishops. But they are not succeeding, and will not succeed. The union between these elements is complete. Persecution has had no other effect than to bring us closer together."

RUSSIAN PRISONERS' IDIOTS.

Phonographs and Blue Lights Used to Deprive of Reason.

New York, Dec. 14.—A London dispatch published here, says a correspondent at Odessa, describing instances of the police repression there, writes of one man who has just finished a six months' sentence in jail for a political offense. Throughout the imprisonment night and day a phonograph fixed in his cell unremittingly ground out the Russian national anthem "to teach him patriotism." It has the desired effect. He is now a hopeless idiot. Other prisoners have been confined in cells illuminated by a blinding blue light with the result that they were made imbeciles in a few months.

TOM JOHNSON SHY ON TILLMAN
Cleveland Mayor Declines to Preside at Senator's Meeting.

Cleveland, Dec. 14.—Mayor Johnson today declined an invitation to preside at the meeting here next Monday, when Senator Tillman will discuss the race problem. Negro sympathizers two weeks ago prevented Tillman from speaking here, and now that he had decided to appear against their wishes it is expected there will be renewed agitation.

The mayor has promised that Tillman and his audience will be given plenty of police protection.

Curzon Not Likely.

New York, Dec. 14.—Lord Curzon of Kendalton, will not be the next British ambassador to America, according to a statement made today by his brother-in-law, the earl of Suffolk, who sailed for Europe on the steamer Celtic. The earl and Lady Suffolk came over with Lord Curzon several weeks ago. Just before the Celtic sailed today the earl said, in reply to a question:

"You may say for me that there is absolutely no chance of Lord Curzon coming to America as ambassador for England, for he told me so himself."

WANTS ONLY MALE PRINCIPALS.

Fort Wayne Board Votes Against Women as School Heads.

Fort Wayne, Ind., Dec. 14.—The school board today adopted a resolution that hereafter all principals of ward schools shall be men. Women have been holding principalships and their salaries have been growing until now they are getting nearly as much as the men. Superintendent Study holds that male principals are the better principals, and as vacancies occur men will be appointed. The board offered Professor Praher, of Rockford, Ill., the principalship of the Clay school, vice Isabelle Lloyd deceased.

Sure-Enough Romance.

Munfordville, Ky., Dec. 14.—Mr. W. Y. Saunders, of Warren county, and Mrs. Bee Clauch, of Pulaski county, were married in the county clerk's office here yesterday. Esquire Garvin officiating. The groom and bride were both between 50 and 60 years of age. The wedding was the happy ending of quite a romance. The couple knew each other in early life, were sweethearts and became engaged but some trivial matter estranged them and they drifted apart. They lost sight of one another and each finally married someone else. Some ten years ago the woman's husband died and a few years later the man lost his wife. A mutual friend disclosed to each the whereabouts and condition of the other. A correspondence was begun, and kept up until yesterday, when they, by agreement, met here on halfway ground, and after a separation of 34 years, repighted their youthful troth and began life's journey anew.

Fatal Result of Nightmare.

Hopkinsville Ky., Dec. 14.—W. W. Thomas died yesterday near this city of injuries received Monday while suffering from nightmare. About 11 o'clock Monday night Mr. Thomas dreamed that a neighbor's son was about to be killed by an unmanageable horse, and so vivid was the dream that he called out and jumped in bed for the purpose, as he thought, of lending assistance. In some manner he rolled off the bed, and as he fell the left side of his head struck a table cutting a deep gash just above and extending behind the left ear.
His condition was not regarded as critical and he had been up and about the house. As he was sitting before the fire talking, he suddenly collapsed, and almost before anyone could reach him, was dead.
He was 58 years of age, and leaves a wife and two daughters.

Peary Is Promised Ship.

New York, Dec. 14.—Commander Robert E. Peary, at a dinner by Morris K. Jessup at the University club last night, in honor of the explorer's safe return, is said to have told his friends that if he could get the right sort of ship for another "dash" to the north pole, he believed he could accomplish his object in a year.

It is said assurances were given him at the dinner that the kind of ship he wanted would be provided whenever he is ready to undertake another voyage.
